

The Housing and Neighborhood Services Department Citizen Academy is a free seven hour educational seminar covering specific city departments operations, services, and programs. The city departments participating in the Citizen Academy include:

- Housing and Neighborhood Services
 - Code Compliance
 - Graffiti Abatement
- San Antonio Police
- Animal Care Services
- Solid Waste Management
- Public Works
- Planning and Development Services
- Office of the City Attorneys

The Academy will provide an opportunity for citizens to learn specific operational and policy guidelines along with regulations the community is governed. The sessions will last forty five minutes with each participating city entity with plenty of opportunity to ask questions. The Citizen Academy be held monthly and will be located in a different city council district (see schedule). We will also provide breakfast and lunch for participants along with a valuable city manual covering city services.
